Class Notes / Learning Log / Textbook Notes

If there was no class lecture this week, write a learning log response to the following questions: Detail these as if you are teaching it to a student who was not present.

Name: _____

Class: _____

Period/Block: _____

Date: _____

Topic/Essential Question (remember, this should tie to the standard that the teacher was addressing):

1. What were the main ideas in today's lesson?	
2. What did you learn today?	
3. How do these ideas relate to what you have already learned?	
4. What did you find interesting in what you learned?	
5. What questions do you still have about what you learned?
